

To Our Valued Supporter,

On behalf of the Abbotsford Rugby Football Club Junior Women's Rugby program, we would like to thank you for the consideration of support of our program. We have worked to develop a strong rugby tradition within the Abbotsford Rugby Football Club and our results and development over the years indicate we are on the right path.

The Abbotsford Rugby Football Club's Junior Women's Program has consistently been one of the top programs in the province, and arguably the country. A number of our athletes have gone on to play prominent roles on Provincial teams, Canadian National teams, University squads as well as European leagues. The successes of the Abbotsford Rugby Football Club female athletes are second to none.

Through your support our goal is to expose these young athletes to a higher level of competition and increase their opportunities for rugby scholarships. The funds raised will go directly to the Junior Women's Touring program. Currently Junior Women's sport is underfunded throughout the Province of BC. This support would assist with the growth of the girl's game as we travel to compete at the Tropical 7's Tournament in Orlando Florida on April 10-11, 2020. This year we will be entering a team in the U14, U16 and U18 age groups.

The Tropical 7's Tournament is one of the premier Junior Rugby Tournaments in North America. Over 120 teams from across the world attend this tournament. This event would allow us to highlight some of the great talent that the Fraser Valley is producing out of the Abbotsford Rugby Football Club Junior Women's Program.

The value of your sponsorship is profound to our rugby program. With your kind support we intend to continue developing a rugby power in the Fraser Valley and in the province. We would appreciate your consideration of sponsorship for the following:
